### Overnight in Siem Reap at Belmond La Residence D'Angkor

**Day 02**
**Angkor Temple Tour with Gala Temple Dinner**
**(B,L,D)**

Breakfast at the hotel.

Today the guests will spend a magical day at the Angkor temples.

We start our exploration with the magnificent **Angkor Wat**, built under Suryavarman II. Angkor Wat today is the largest sacred edifice on earth and of high importance for the Khmer itself. Constructed in 12th century by King Suyavarman II, Angkor Wat is dedicated to the Hindu God Vishnu. Surrounded by a giant moat, the temple itself can be reached via a beautiful naga balustrade only. Hundreds of ornaments and reliefs cover the walls of this huge and ancient construction. Once you climb up the steep steps to the top you can enjoy a beautiful view of the surrounding jungle.

Afterwards we move to the southern gate of **Angkor Thom**, where you will marvel at the imposing 23m (75-foot) high stone faces of Avalokiteshvara, featured in the Tomb Raider movie. These astonishing carvings inspire awe and wonder in all who view them.

At the centre of this citadel lies the state temple of **Bayon**, which we will also visit. This temple-mountain, built at the end of the 12th century, is adorned with hundreds of gigantic stone faces.

We'll also have time to photograph the famously eerie silk-cotton tree roots as they slowly envelope the Ta Prohm temple from Jayavarman VII's reign.

After the temple tour, we lead to Sras Srang, for a tasteful outdoor lunch with taking a short walk around.

**Srah Srang** was the Royal Bath. It was built in the end of the 12th century, by the King Jayavarman VII, dedicated to Buddhist, replica to Bayon style of art. It always has water and is surrounded by

greenery. According to one French archaeologist, it offers at the last rays of the day one of the most beautiful points to view the Park of Angkor.

After lunch clients will be brought to the city centre by bus and change from the buses to tuk tuks (2 pax per tuk tuk) to do a short city tour.

The **Siem Reap Tuk Tuk Tour** includes the visit of a holy place, a real local market and the visit of Senteurs D'Angkor – a scent workshop that will offer you an opportunity to experience an unforgettable voyage into the heart of Cambodian nature products.

(We will divide the group and let them start at different spots)

Afterwards transfer back to the hotel for refreshment and clothes change before the big Gala Dinner.

Day 04

Hoi An Eco Village + Walking Tour

(B,L,D)

Today the **Hoi An Cultural Country Life Experience** provides the guest with a close-up and intimate exposure to both the local farming and fishing communities.

Accompanied by your tour guide, you commence the day leisurely cycling along country roads (shuttle service available for those who don't want to cycle) witnessing local Vietnamese rural life first hand, discovering all manner of photo opportunities - coming and visiting a beautiful organic vegetable village, watering and planting vegetables, hoeing soil with the local farmer, riding a water buffalo in a rice field; seeing ducks swimming along the rice farm or farmers tending their crops. The photo opportunities are endless, and you will experience the friendliness of the local people greeting you along the way.

Afterwards you will move on to a local fishing village and board a **private boat for a river cruise** to meet and engage with local fishermen and enjoy a hands-on experience of traditional net fishing. You will also experience paddling the unique **Vietnamese bamboo basket boat** while cursing the coconut palm fringed waterways and several **little surprises** await you here.

This tour provides you with a cultural window into the ways of life of both our farming and fishing communities.

(Different activities will be done in different order by several smaller groups)

Afterwards the whole group will gather at Hoi An's famous **Field Restaurant for lunch**.

By setting up this restaurant the aim was to create a unique space in Hoi An, close to the nature, where – beside the food – one can enjoy the beautiful view to the rice paddies & the river.

In the afternoon **exploring Hoi An on foot** is one of the best ways to take in the city's charm.

The picturesque old town of Hoi An was declared a UNESCO World Heritage Site in 1999. Its colourful shop houses and temples reflect a diverse heritage, dating back to the 16th and 17th century, when it was a major port for Western, Chinese and Japanese traders. Today it is a thriving centre of traditional crafts and a shopper's paradise. As all kind of transportations are banned in the old quarter of Hoi An, the best way to explore the beauty of this port town is the walking tour.

Besides visiting the old temples, the famous Japanese bridge and some other well-known ancient houses and landscapes of Hoi An, the guests will also get the chance to enjoy the unique charm atmosphere on their own.

Upon return to the hotel a first group of 20 pax can enjoy their 1 hour spa treatments at the hotel spa before getting ready for dinner.

Today's dinner will be hosted at Vy's Market Restaurant.

Vy's Market Restaurant recreates the atmosphere and ambience of the local markets. With a central courtyard surrounded by individual food stalls, guests are invited to see how dishes are prepared and cooked in the traditional way. From grilling rice crackers and roasting peanuts to making fresh 'bun' and 'cao lau' noodles, the restaurant offers guests a unique culinary experience. Tour the stalls before ordering from the tablet-based photo menu and enjoying the local treats!
